311. Dismissal, removal or reduction in rank of persons employed in civil capacities under the Union or a State.— (1) No person who is a member of a civil service of the Union or an all-India service or a civil service of a State or holds a civil post under the Union or a State shall be dismissed or removed by an authority subordinate to that by which he was appointed.

(2) No such person as aforesaid shall be dismissed or removed or reduced in rank except after an inquiry in which he has been informed of the charges against him and given a reasonable opportunity of being heard in respect of those charges:

THE PUNJAB CIVIL SERVICES RULES VOLUME I (PART II)

Provided that where it is proposed after such inquiry, to impose upon him any such penalty, such penalty may be imposed on the basis of the evidence adduced during such inquiry and it shall not be necessary to give such person any opportunity of making representation on the penalty proposed:

Provided further that this clause shall not apply—

(c) where the President or the Governor, as the case may be, is satisfied that in the interest of the security of the State it is not expedient to hold such inquiry.

(3) If, in respect of any such person as aforesaid, a question arises whether it is reasonably practicable to hold such inquiry as is referred to in clause (2), the decision thereon of the authority empowered to dismiss or remove such person or to reduce him in rank shall be final.

APPENDIX 8-A

(Referred to in note 6 to rule 5.57)

Rules for payment of fees to expert witnesses summoned in Criminal Courts.

1. When any Court has to form an opinion upon a point of foreign law, or of science or art, or upon the identity of handwriting or finger impressions, a person who is called to give an opinion in view of his special skill in such foreign law, science or art, or in questions of identity of handwriting, or finger impression, is an expert witness and his evidence is expert evidence.

Explanation :—The question whether evidence is expert or not must be judged by the purpose for which the witness is called, and the nature of the facts to which the witness testified in examination-in-chief. Evidence is not to be classed as expert merely on the strength of cross-examination. If the witness is called primarily to testify to facts observed by him in his ordinary or in his professional capacity, his evidence is ordinary evidence, if, however, he is called primarily to give an opinion based on his special knowledge or skill, but not on any previous acquaintance with the facts of the particular case, which before the court, his evidence is expert evidence.

Examples .—(i) A doctor who is called on account of his special knowledge to give an opinion on the question whether a particular person is physically capable of doing an act, which is attributed to him, gives expert evidence. If he is called to describe injuries which he has himself seen, or to attest a certificate of injuries which he has supplied, his evidence is not expert evidence and it does not become expert evidence even if in the course of his examination he uses technical terms in describing the injuries or if he is asked to give an opinion regarding the effect of the injuries on the constitution of the injured person.

(ii) A goldsmith who was called on account of his technical knowledge to advise the court where a particular ornament was made would be giving expert evidence, if the opinion was one which could be given by a goldsmith, but it would not be expert knowledge if he was merely identifying an ornament made by himself.

(iii) A small arms expert called from a Government arsenal to state whether the marks on a bullet could be caused by the rifling of a particular kind of rifle or revolver, or whether a shot could travel a particular distance, gives expert evidence.

II. Subject to the provisions of rule III to V below, expert witnesses who happen to be Government employees are bound by the ordinary rules relating to payment of traveling allowance and subsistence allowance to Government employees called as witnesses. These rules are contained in Travelling Allowance Rules.

THE PUNJAB CIVIL SERVICES RULES VOLUME I (PART II)

III. In any case in which it is absolutely necessary to summon either the Chemical Examiner or his Assistant, to give evidence in court, the following fees shall be paid:—

For each appearance in court:—

In Headquarters	Outside Headquarters
Chemical Examiner, Rs. 16	Rs. 100 with 1st class railway fare and all travelling expenses.
Assistant Chemical Examiner Rs. 10	Rs. 100 with 1st class railway fare and all travelling expenses

In a case, in which the above fees are payable to the Chemical Examiner or his Assistant, by Government no payment shall be made. He will draw travelling allowance, at the usual rates admissible under the Travelling Allowance Rules. In other cases in which travelling allowance is admissible under the Travelling Allowance Rules and fees are payable by private persons, such fees should be credited to Government.

IV. The following scale of fees has been prescribed for medical men of different classes summoned as expert witnesses:—

Class of Medical Officer	For giving evidence in a criminal case in a station where he resides	For giving evidence in a station other than the one in which he ordinarily resides
1. Civil Surgeon, Principal Medical Officer, Senior Medical Officer or other Medical Officer of equivalent standing	Rs. 16 to Rs. 50	Rs. 16 to Rs. 50 plus travelling allowance at tour rates.
2. Medical Officer	Rs. 10 to Rs. 25	Rs. 10 to Rs.15 per diem plus travelling allowance at tour rates.
3. Assistant Medical Officer	Rs. 4 to Rs. 10	Rs. 4 to Rs. 10 plus travelling allowance at tour rates.
4. Private Medical Practitioner	Rs. 16 to Rs. 32	Rs. 16 to Rs. 100 per diem provided that the sanction of High Court is obtained to any fee over Rs. 32 per diem, plus actual travelling expenses.

(1) If a Government medical officer is summoned by the court at the instance of the Government he should be treated as being on duty, and he should be allowed to draw his travelling and daily allowance under the Punjab Travelling Allowance Rules,

APPENDIX 8-A

if the Court is situated away from his headquarters, if the Court is situated at his headquarters, he should not be paid anything.

(2) If such an officer is summoned by the Court at the instance of a private person or party, such attendance in the Court should be regarded as private practice of the nature of expert evidence, and should be regulated as follows:-

- (i) The officer may accept the fee within the limit prescribed above with the sanction of the Court concerned. If, however, in any individual case, it is considered necessary by the Court, that a fee, in excess of the prescribed limit, should be allowed this be accepted only with the specific sanction of Government in each case, which should be obtained through the Head of the Department in which the officer is serving.
- (ii) The apportionment of the fees realized from private persons or parties between Government and the medical officer will be in the ratio of 50:50 but for accounting purposes, it will, in the first instance be necessary that the full amount realized should be credited to Government, the share of the officer being thereafter drawn from the Treasury on a refund bill.
- (iii) The officer's travelling and subsistence allowance should be paid by the private person or party at whose instance he may have been summoned.

V. In the case of certain other particular experts special fees have been fixed as follows:-

---	For giving evidence in a criminal case in a station where he resides.	For giving evidence in a station other than the one in which he ordinarily resides.
1. Government Examiner of Questioned Documents	...	See Annexure 'A'
2. Officials of the Finger Print Bureau	No fees...	No fees

THE PUNJAB CIVIL SERVICES RULES VOLUME I (PART II)

VI. In order that payments may be easily checked in audit a clear distinction should be drawn between amounts paid as subsistence allowance and amount paid as traveling allowance.

APPENDIX 8-A

(iii) Complaint cases, revenue cases, Tenancy Act cases and other miscellaneous Act cases from Indian Courts:

These cases will be accepted only if forwarded by Presiding Officers of courts:

4. Applications falling under classes A and B will ordinarily be accepted but may be refused at the discretion of the Government Examiner of Questioned Documents if they cannot be undertaken without detriment to his other work.

5. An inclusive fee will be charged in each case, in which an opinion is given and will normally cover the opinion, the cost of photographs and the giving of evidence, limited in class B cases to one day. The inclusive fee for class A cases (see rule 3) will be Rs. 220, and for class B cases Rs. 250. (This fee does not cover travelling allowance, which is governed by rule 15 below).

6. Subject to the exception stated at the end of this rule, the fee is payable in advance in all cases and each application should be accompanied by a certificate in the following form:

Certified that sum of rupees two hundred and twenty (Rs.220)/two hundred and fifty (Rs. 250) has been deposited in the _____ Treasury on _____, on account of the Government Examiner of Questioned Documents fee in case/suit No. _____ and that this amount has been shown under head XIX–Police Central Misc. Signature of Treasury Officer

Countersigned

(Signatures of Officer submitting the case).

In special circumstances, which should be stated in the application, class A cases will be accepted without this certificate, but the certificate should be forwarded as soon as possible.

7. In cases where the cost of photographs is exceptionally heavy the fee will be Rs. 180 plus the actual cost of the photographs in class A cases and class B cases Rs. 200 plus the actual cost of photographs.

THE PUNJAB CIVIL SERVICES RULES VOLUME I (PART II)

In class B cases the authority submitting the cases will be informed of the extra cost involved before it is incurred, and will be required to certify that it has been deposited before the Government Examiner of Questioned Documents proceeds with the case.

8. xx xx xx xx

9. (i) In cases in which no opinion is given but photographs are taken, only the actual cost of photographs will be charged, subject to a minimum of Rs. 35.

(ii) In cases in which examination has been completed but no opinion could be expressed a consolidated fee of Rs.100 will be charged.

10. No reduction in the fee will be allowed if evidence is not required or is taken on commission.

11. (i) In class B cases an additional fee of Rs. 200 will be charged for each day, after the first day on which evidence is given, whether in court or on commission, or on which the officer is detained. The Presiding Officer or the Commission will be requested to certify, before the second and each subsequent day's work is begun, that the fee for that day and also for any intervening day or days of detention has been deposited, and subsequently to furnish a certificate in rule 6 above.

(ii) A fee of Rs. 250/- will be charged in a class B case even for the first day's evidence if evidence is taken upon an opinion expressed on the same documents when they formed part of a criminal case. Where one class 'A' case is split up in Court into several cases, a fee of Rs. 150/- (Rupees one hundred and fifty) will be charged for each split up case. Similarly, where one class 'B' case is split up in court into several cases, the fee will be Rs. 200/- (Rupees Two hundred only) for each split-up case.

12. In cases falling under class B the Government Examiner or his Assistant will be prepared to attend Courts, provided that he can do so without detriment to his other work. When evidence is taken on commission; the commission should be issued to the Senior Sub-Judge, Delhi, and normally should be so worded that either the Government Examiner or his Assistant can give evidence.

13. Presiding Officers of Courts are requested to detain the Government Examiner of Questioned Documents or his Assistant for the least possible time compatible with the requirements of the case. They are also requested to accept, so far as possible, the time and dates for attendance offered by these officers, because the latter frequently have to attend several Courts in the course of one tour.

14. The Government of India, in Ministry of Home Affairs, reserve the right to impose an extra charge in any case in which they consider that the usual fee is incommensurate with the time and labour spent on the case.

APPENDIX 8-A

15. When the Government Examiner of Questioned Documents or his Assistant is required to travel in order to give evidence or for any other purpose, the authority or party employing his services will be required to pay travelling allowance at the rates laid down for first grade or Officers in the Supplementary Rules of the Government of India for journeys on tour. Travelling allowance will also be payable for the peon accompanying the officer at the rates, fixed for Government of India peons. These payments will be adjusted as directed in the late Home Department letter No. F. 128/VII/27-Police, dated the 12th January, 1928 (see-Appendix).

In class B cases the Presiding Officer of the Court concerned will be required to certify that the cost of travelling allowance has been deposited before the Government Examiner of Questioned Documents or his Assistant undertakes the journey.

APPENDIX-9

(Referred to in Note 1 to Rule 5.64)

General Instructions for regulating the patenting of inventions made by Government employees whose duties involve the carrying out of Scientific or Technical Research

1. In these Instructions:—

- (1) “Committee” means the Patents Advisory Committee (see Annexure-B).
- (2) “Inventor” means any Government employee whose duties involve carrying out of Scientific or Technical Research.
- (3) “Department” means that Department of the State Government, in charge of any Research Organisation.
- (4) “Research Organisation” means any technical or scientific establishment under the State Government, where research work is carried out, and includes also an establishment where research work is carried out in addition to any other routine work.
- (5) “Secretary” means Secretary of the Patents Advisory Committee.
- (6) “Government”—unless otherwise specified, the word “Government” wherever it occurs in these instructions shall mean “State Government.”

2. An inventor should not, without the previous permission of the Government, employ a patent Agent or disclose the invention to any person, otherwise than as provided in clause 4, or publish or join any person not connected with the invention in his application for a patent, or file a complete specification, or make any application for a patent in any other country.

Until the Patents Advisory Committee makes a decision, under clause 19, the particulars about any invention disclosed by an inventor should be treated as confidential, and deemed to belong to, and held in trust for, Government.

3. Every inventor should, if so ordered, do everything necessary for obtaining a patent whether in Punjab (India), any other part of Indian Union, or any other country, under such conditions as may be prescribed by the Government.

4. Every inventor, who evolves an invention, should promptly disclose it to the Head of the Research Organisation, where he is working.

5. Where an inventor discloses his invention to the Head of his Research Organisation, with or without a request for permission to file an application for a patent, accompanied by a Provisional Specification, the Head of the Research Organisation should, through a secret communication, forward the information to the

APPENDIX 9

Department concerned together with his remarks on:—

- (i) The connection, if any, between the invention and the inventor's official duties;
- (ii) The extent to which the inventor has used the facilities provided at Government expense;
- (iii) Whether the results are of such a nature that they should be published instead of being patented;
- (iv) Patenting the invention in foreign countries;
- (v) The estimated needs of the Department concerned and the Government as a whole;
- (vi) The probable contribution to public welfare; and
- (vii) His recommendations, if any, as to further action deemed appropriate.

6. An inventor, paid out of the Defence Services Estimates of the Union Government, should not apply for or obtain a patent except as provided for in the special regulations prescribed by the Ministry of Defence for that purpose from time to time.

7. An inventor, other than an inventor paid out of the Defence Services Estimates, may file an application for a patent, accompanied by a Provisional Specification, after obtaining the permission of the Head of the Research Organisation, where he is working:

Provided that, in case the inventor is himself the Head of a Research Organisation, he may file such application without obtaining previous permission of the Government.

8. The Government hereby authorises the Head of every Research Organisation to grant, in his discretion, to any inventor working under him permission under Rule 5.64 of C.S.R. Vol. I, Part I, to file an application for a patent accompanied by a Provisional Specification:

Provided that, where the Head of a Research Organisation does not deem it fit to grant the permission, for instance, where the invention is likely to have utility for Defence purpose, or for the Department concerned, he should forward the papers to the Department concerned, together with his remarks.

9. Where an inventor desires to obtain permission in accordance with clause 7, his request to the Head of his Organisation should be made on the prescribed form, shown in annexure "A" which should be filed in quadruplicate.

THE PUNJAB CIVIL SERVICES RULES VOLUME I (PART II)

10. If the Head of a Research Organisation decides to grant the permission, he should sign all the four copies of the forms, return one copy to the inventor, retain one copy, and forward the remaining two copies, along with two copies of the Provisional Specification to the Department concerned.

11. If the request for permission is accompanied by a Complete Specification (which should be duplicate), the Head of the Research Organisation should, through a secret communication, forward the papers to the Department concerned, together with his remarks on point referred to under sub-paragraphs (i) to (vii) in clause 5.

12. Upon receipt of a communication of an invention from the Head of the Research Organisation, the Department concerned should examine the case. If they consider that the results proposed to be patented are of such a nature that they should be published instead of being patented, they will refuse the inventor's request for permission to take out a patent. The Department may take such steps as they consider expedient for publishing the invention, or for otherwise disposing of the invention. On receipt of intimation of such refusal, the inventor shall abandon his application for patent, if any, filed on the basis of a Provisional Specification. In all other cases the Department concerned should, within 15 days of their receipt of the communication from the Research Organisation, forward the papers to the Secretary with their recommendations. While forwarding the papers to the Secretary the following documents should be supplied through a secret communication:—

- (i) If the invention was disclosed unaccompanied by a request for permission to take out a patent, full particulars of the invention so disclosed;
- (ii) If an application has been made on the basis of a Provisional Specification, a copy each of the application and the Provisional Specification filed at the patent office; and
- (iii) If a request for permission has been made to take out a patent on the basis of a Complete Specification, a copy of the Complete Specification.

13. Upon receipt of the foregoing communication from the Department concerned, the Secretary will submit the information for the consideration of the Committee, who will consider whether the permission asked for under Rule 5.64 of C.S.R., Vol. I, part I, should be granted, with or without conditions.

14. If the Committee is satisfied that the invention has no connection whatever with the inventor's official duties, or does not fall within technical field of activity of the Department concerned, it will, if the inventor has applied for permission to take out a patent, grant him the permission, under rule 5.64 of C.S.R., Vol. I, Part I, without any restriction.

APPENDIX 9

15. If the committee considers that the invention has been made in the course of the inventor's official duties, or that the invention has resulted from facilities provided at Government expense, it will decide whether an application for a patent should be made to the Controller of Patents and Designs on the basis of a Complete Specification.

16. If the Committee decides that an application for a patent should be made on the basis of a Complete Specification, the Secretary will, if necessary, obtain from the inventor further particulars required for the drafting of the Complete Specification, and take the necessary steps to prepare and file the Complete Specification, within 9 months from the date of the Provisional Specification, if any. The application will be made in the name of the inventor, on the understanding that he will hold the patent in trust for the Government and will, in due course, assign his rights to the Government.

17. The Complete Specification and the drawings, if any, required for filing and prosecuting the applications for patents, will be prepared by the Research Organisation when facilities exist for such purposes and in other cases, by the Secretary, or by such agency as may be appointed by the Committee.

18. All fees up to the stage of acceptance, in respect of every application prosecuted by the Secretary, will be borne by the Committee.

19. On filing a Complete Specification the Committee will consider:—

- (i) whether the invention should be published for free use by the public; or
- (ii) whether a patent should be taken out for exploitation by Government; or
- (iii) whether the inventor should be allowed to take out a patent for his own benefit.

20. APPENDIX 17
(Referred to in Rule 8.61)

Rules for the grant of Casual and Quarantine Leave

I. Casual Leave

1. Casual leave may be granted to Government employees for short periods by the authorities specified in Appendix 12 or by any officer under them to whom the powers are delegated by the said authorities subject to the conditions therein stated, as follows:—

(1) **Scale**—Casual leave will be admissible as follows:—

- | | |
|---|-------------|
| (i) To employees with 10 years' service or less | ...10 days |
| (ii) To employees with more than 10 years service
but less than 20 years service | ...15 days |
| (iii) To employees with over 20 years service | ...20 days |
| (iv) To all female Government employees
irrespective of their length of service | ...20 days. |

(2) **How calculated.**—From the date on which an employee completes his 10th or 20th year of service, as the case may be, he will be given leave in that year according to the next higher scale. Thus if an employee completes 10 years service on the 30th April, 1963 he will be entitled to 15 days casual leave for the entire year 1963. Length of service will be assessed as in note below Rule 8.116 of Punjab C. S. R. Volume I, Part I.

(3) **Accounting of Casual Leave.**—The casual leave account will be maintained annually from the 1st of January to 31st of December. All casual leave accounts will be closed on the 31st December and new accounts opened on the 1st of January, following, irrespective of the fact that an official takes a spell of casual leave which includes the last few days of December, and the first few days of January. Thus if an official takes leave from the 26th December, 1959, to 5th January, 1960, the period 26th December to 31st December will be debited to his leave account for the year 1959 and the period 1st January to the 5th January, 1960 will be debited to his leave account for the year 1960.

(4) **Length of leave and Combination of leave.**—In taking casual leave, within the limits admissible above, an employee may remain continuously absent from duty for a maximum of 16 days. In this spell he will be permitted to include holidays which will not be debited to his casual leave account. The total spell, however, should in no case exceed 16 days. The balance of the casual leave can be taken in driblets. It may be emphasised that it is desirable, but not compulsory for Government employees to take such a spell. Where a Government employee desires to take such a spell, permission should not ordinarily be refused although of course the competent

APPENDIX 17

authority may adjust the dates on which the spell is taken for administrative convenience.

Note.1—A Government employee should not leave his district during casual leave without permission.

Note 2.—As exception to the above rule,

- (a) A Government employee who has been bitten by a rabid animal may be granted casual leave up to 16 days to proceed to a centre or Institute for anti-rabic treatment. If in a special case leave for more than 16 days is necessary and the appointment of substitute if found necessary, one month's additional "earned leave" may be granted which shall not be debited against the leave at the credit of the Government employee. When, however, no substitute is engaged, the entire period of one and a half month leave should be treated as casual leave. Any leave required in excess of one and a half months may be granted under the ordinary rules applicable to the Government employee concerned.
- (b) The concessions specified in clause (a) above may be extended to a Government employee without a lien on a permanent post, while officiating in a permanent or temporary post, or holding a temporary post, the pay which he may draw in such a post being taken as the "substantive pay" for this purpose.

Note 3.—It is not in order to grant casual leave on half pay or without pay as a Government employee on casual leave is not treated as absent from duty and his pay is not intermitted. If in any case, less than full pay is allowed, it would amount to an imposition of a penalty not provided for in the Punishment and Appeal Rules.

2. Except in cases where previous reference would cause real inconvenience, a Government employee should not, without previous permission come on casual leave to headquarters or the place where the Governor is residing, for the purposes of making a representation to the Governor. The prohibition does not apply to a Government employee who is on any other kind of leave, or who does not intend to make any such representation.

3. No Government employee may go, on casual leave, to a place beyond 36 hours recall, and no Deputy Commissioner or Superintendent of Police may go to Kullu or Kashmir, without the express sanction of Government.

4. If a Government employee overstays his casual leave for any reason whatsoever, for example, a break-down on the road due to flood or landslips the entire period of absence will be debited to his ordinary leave account, and not only the period by which he has overstayed his casual leave.

5. No Government employee may leave his headquarter, during gazetted holidays except with the permission of his immediate departmental superior, who must undertake the responsibility of granting such permission.

6. Casual leave must not be given so as to cause evasion of the rules regarding—

- (i) date of reckoning pay and allowances;
- (ii) charge of office;
- (iii) commencement and end of leave;
- (iv) return to duty;

or so as to extend the term of other kinds of leave beyond the time admissible by rule.

II QUARANTINE LEAVE

1. Quarantine leave is leave of absence from duty necessitated by orders not to attend office in consequence of the presence of infectious diseases in the family or household of a Government employee. Such leave may be granted by the Head of the Office on the certificate of a Medical or Public Health Officer for a period not exceeding 21 days or in exceptional circumstances, 30 days. Any leave necessary for quarantine purposes in excess of this period shall be treated as ordinary leave. Quarantine leave may also be granted, when necessary, in continuation of other leave, subject to the above maximum. Except as provided in the note below no substitute should be appointed in place of a Government employee absent on quarantine leave.

Explanation.—(1) Quarantine leave is not admissible in the case of Government employee who himself contracts an infectious disease.

(2) The maximum limits of 21 and 30 days prescribed in this rule refer to each occasion on which leave is applied for and granted.

Note (1).—Cholera, Small-pox, Plague, Diphtheria, Typhus Fever and Cerebrospinal Meningitis may be considered as infectious diseases for the purpose of the rule. In the case of chicken-pox, quarantine leave should not be sanctioned unless the Health Officer responsible considers that because of doubt as to the true nature of the disease, for example Small-pox, there is a reason for the grant of such leave. In the case of Government employee stationed in areas under the administration of other States, such other diseases as may have been declared by those Governments as infectious for the purpose of their quarantine leave may also be considered as infectious diseases for the purpose of the rule. Such Government employees will, however, be eligible for quarantine leave for any of the diseases mentioned above, even though it has not been declared in orders issued by other States concerned to be an infectious disease.

Note (2).—The authority referred to in paragraph 1 of Section 1 above may sanction a substitute for an absentee who is on quarantine leave and whose duties cannot be arranged for without prejudice to his pay: Provided that the absence does not exceed 30 days.

 APPENDIX 17

2. The competent authority under paragraph 1 above may grant “quarantine” leave to the following classes of Government employees in the Printing and Stationery Department, Punjab.—

- (i) all temporary and officiating employees.
- (ii) permanent piece-workers not classed as “Group ‘D’ Government employees”.
- (iii) permanent salaried industrial employees not classed as “Group ‘D’ Government employees”.
- (iv) all press employees governed by the Rules, in Chapter VIII.
- (v) Press employees, both salaried and piece-workers, who have completed 10 years service (actual duty) on the temporary establishment;
- (vi) permanent Group ‘D’ piece hand distributors.

III. SPECIAL CASUAL LEAVE

(a) Special Casual Leave for Family Welfare Schemes

1.1. (1) Special casual leave not exceeding six working days, may be granted to a male Government employee, who undergoes sterilisation operation under the Family Welfare Schemes. Such leave shall be granted on satisfying the sanctioning authority that the operation shall be performed on the same day or the next day of the commencement of leave.

(2) Special casual leave not exceeding six working days under this rule, may be allowed for the second time for re-sterilisation if the initial operation not having been successful, the Government employee had to be operated upon for the second time.

1.5. The concession of special casual leave for Family Welfare Schemes is also admissible to the work-charged and industrial employees of the Punjab Government.

APPENDIX 20-A

(Referred to in Note 7 below rule 6.2)

Terms to be granted to Government employees sent abroad for training under the various schemes

1. When Government employees are sponsored by the various Departments of the State Government for training abroad under the various training schemes of the United Nations, the Colombo Plan, etc., and the schemes operated through non-official channels (Rock-Feller Foundation, Ford Foundation, etc.) the grant of deputation terms will be regulated as follows:—

- (i) **Pay:**—The entire period of the Government employee's absence from his post in India will be treated as period of deputation on full pay which he would have drawn had he remained on duty in India.
- (ii) **Dearness Allowance:**—During the entire period of training the Government employee concerned may be allowed to draw dearness allowance at the rate at which he would have drawn it had he not proceeded on deputation abroad. Apart from dearness allowance temporary allowance will also be admissible according to the instructions for the grant of that allowance.
- (iii) **Compensatory Allowance:**—This allowance would also be admissible at the same rate as he would have drawn in India but for his deputation abroad, during the first six months of absence from his post in India subject to the fulfilment of the conditions laid down in rules 5.3 (b) and 5.5 of the Punjab Civil Services Rules, Volume I, Part I. No compensatory allowance will be admissible during the training period beyond six months.
- (iv) **House Rent Allowance or Recovery of Rent:**—This will be at the same rate as he would have drawn in India but for his deputation abroad, during the entire period of his training subject to the fulfilment of the conditions laid down in rules 5.3 (b) and 5.5 of the Punjab Civil Services Rules, Volume I, Part I. If the Government employee concerned is allowed to retain Government accommodation during the period of deputation, the rent therefor should continue to be charged at the same rate at which he would have been normally charged, had the officer not proceeded on deputation.

2. It should be ensured that the period of deputation of officers sent abroad for training is no longer than absolutely necessary.

3. (i) Further, the training of Government employees abroad under the financially aided schemes and under the schemes operated through non-official channels such as Rockefeller Foundation, Ford Foundation etc.; should invariably be at the instance of the Department concerned. In no case should the Government employees themselves approach or negotiate direct with the Foreign Government or Organisations for scholarships. Before sponsoring a case for training abroad under the

THE PUNJAB CIVIL SERVICES RULES VOLUME I (PART II)

terms mentioned in para 1 above, it is necessary to ensure that the services of the Government employee concerned will be available to Government at least for a reasonable period, say five years, after the completion of training and that the officer should also possess adequate background of the subject or field in which he would be receiving training. The following conditions should, therefore, generally be satisfied for the grant of deputation terms to a Government employee sponsored by Government for awards under the training Schemes:-

- (a) He should have at least five years to serve after the conclusion of training and is not expected to retire within that period.
- (b) In the case of a Government employee on loan from a Union or State Government or a quasi-Government body, the lending authority should agree to make him available to the Government of Punjab for a period of not less than five years after the conclusion of training, if required.
- (c) In the case of a Government employee in the temporary employ of the Government of Punjab, there should be reasonable chance of his remaining in service for a minimum period of five years after the conclusion of the training and he should be required to give an undertaking in writing that he agrees to serve the Punjab Government for the like period.
- (d) He should have completed a minimum of 5 years' service. The limit may, however, be relaxed in cases where the very nature of the training does not warrant such a restriction e.g. cases where individuals are recruited on the condition that they should undergo training before they are posted to regular duties.
- (e) A period of deputation of 18 months one time should ordinarily be regarded as a suitable maximum in such cases.

(ii) Where a particular scheme provides for any specific conditions to be fulfilled before a person is approved for training, the same should be followed in preference to the general conditions referred to above. For instance, if a scheme prescribes a maximum age limit for the trainees, the same should be adhered to in preference to the general condition of at least five years' service after the conclusion of training laid down in para 3(i) (a) above. Where, however, no specific conditions are laid down by the foreign agency or Government of India, administering the scheme, the general conditions referred to above should invariably be enforced before a person is sponsored for training abroad.

4. The permanent and temporary Government employees deputed abroad for training shall be required to execute bonds in Forms D and E appended to these terms. The bond should be got executed in all cases of deputation on training, irrespective of the periods of training and irrespective also of the fact whether the

APPENDIX 20-A

Government employee is allowed deputation terms under para I above or any other terms.

5. The *lump-sum* amount of refund to be specified in the bond should include all moneys paid to the Government employee concerned or expended on his account e.g. pay and allowances, leave salary, cost of fees, travelling and other expenses, cost of international travel and cost of training abroad met by the foreign Government/agency concerned.

6. An undertaking to the effect that they will not be accompanied by their wives, children or dependents shall be obtained from the trainees before they are sponsored.

7. An undertaking to the effect that the trainee shall not on his own initiative, on arrival or during his stay in the country of training take up the question of extension or variation of his training with the authority responsible for his training abroad shall be obtained from him. He may, however, if he thinks it necessary, approach his sponsors for extension or variation of his training abroad who after necessary consultation with the authority concerned, will decide one way or the other about it. Where the period of training abroad is extended, a Supplementary Bond as given in forms D.I. and E.I. shall be got executed from such Government employees who are granted extension(s) of training. The *lump sum* amount of refund to be specified in the Supplementary Bond should include all the moneys paid to the Government employee concerned or expended on his account during the extended period of training e.g., pay and allowances, leave salary, cost of fees, travelling and other expenses, cost of international travel and cost of training abroad met by the foreign Government/agency concerned.

8. Actual sanctions in individual cases regarding the deputation terms mentioned above shall be issued only in consultation with the Finance Department in accordance with the existing practice.
